

42 U.S. Code § 1437q

Financing limitations

On and after October 1, 1983, the Secretary—

(1) may only enter into contracts for annual contributions regarding obligations financing public housing projects authorized by section 1437c(c) of this title if such obligations are exempt from taxation under section 1437i(b) of this title, or if such obligations are issued under section 1437b of this title and such obligations are exempt from taxation; and
