Collection of information on tenants in tax credit projects

(a) In general

Each State agency administering tax credits under section 42 of title 26 shall furnish to the Secretary of Housing and Urban Development, not less than annually, information concerning the race, ethnicity, family composition, age, income, use of rental assistance under section 1437f(o) of this title or other similar assistance, disability status, and monthly rental payments of households residing in each property receiving such credits through such agency. Such State agencies shall, to the extent feasible, collect such information through existing reporting processes and in a manner that minimizes burdens on property owners. In the case of any household that continues to reside in the same dwelling unit, information provided by the household in a previous year may be used if the information is of a category that is not subject to change or if information for the current year is not readily available to the owner of the property.
