

42 U.S. Code § 1476

Buildings and repairs

(a) Construction in accordance with plans and specifications; supervision and inspection; technical services and research

In connection with financial assistance authorized in this subchapter, the Secretary shall require that all new buildings and repairs financed under this subchapter shall be substantially constructed and in accordance with such building plans and specifications as may be required by the Secretary. Buildings and repairs constructed with funds advanced pursuant to this subchapter shall be supervised and inspected as required by the Secretary. In addition to the financial assistance authorized in this subchapter, the Secretary is authorized to furnish, through such agencies as he may determine, to any person, including a person eligible for financial assistance under this subchapter, without charge or at such charges as the Secretary may determine, technical services such as building plans, specifications, construction supervision and inspection, and advice and information regarding farm dwellings and other buildings.
