
42 U.S. Code § 247b-10

Compilation of data on asthma

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall—

- (1) conduct local asthma surveillance activities to collect data on the prevalence and severity of asthma and the quality of asthma management;
- (2) compile and annually publish data on the prevalence of children suffering from asthma in each State; and
