

42 U.S. Code § 247c

Sexually transmitted diseases; prevention and control projects and programs

(a) Technical assistance to public and nonprofit private entities and scientific institutions

The Secretary may provide technical assistance to appropriate public and nonprofit private entities and to scientific institutions for their research in, and training and public health programs for, the prevention and control of sexually transmitted diseases.

(b) Research, demonstration, and public information and education projects

The Secretary may make grants to States, political subdivisions of States, and any other public and nonprofit private entity for—

- (1) research into the prevention and control of sexually transmitted diseases;
- (2) demonstration projects for the prevention and control of sexually transmitted diseases;
- (3) public information and education programs for the prevention and control of such diseases; and
