## Technical assistance for employer-based wellness programs

---

In order to expand the utilization of evidence-based prevention and health promotion approaches in the workplace, the Director shall—

- (1) provide employers (including small, medium, and large employers, as determined by the Director) with technical assistance, consultation, tools, and other resources in evaluating such employers' employer-based wellness programs, including—
  - (A) measuring the participation and methods to increase participation of employees in such programs;
  - (B) developing standardized measures that assess policy, environmental and systems changes necessary to have a positive health impact on employees' health behaviors, health outcomes, and health care expenditures; and
  - (C) evaluating such programs as they relate to changes in the health status of employees, the absenteeism of employees, the productivity of employees, the rate of workplace injury, and the medical costs incurred by employees; and
