

42 U.S. Code § 284o

Activities of the National Institutes of Health with respect to research on paralysis

(a) Coordination

The Director of the National Institutes of Health (referred to in this section and sections 280g–9 and 284p of this title as the “Director”), pursuant to the general authority of the Director, may develop mechanisms to coordinate the paralysis research and rehabilitation activities of the Institutes and Centers of the National Institutes of Health in order to further advance such activities and avoid duplication of activities.
