
42 U.S. Code § 285a-6

Breast and gynecological cancers

(a) Expansion and coordination of activities

The Director of the Institute, in consultation with the National Cancer Advisory Board, shall expand, intensify, and coordinate the activities of the Institute with respect to research on breast cancer, ovarian cancer, and other cancers of the reproductive system of women.

(b) Coordination with other institutes

The Director of the Institute shall coordinate the activities of the Director under subsection (a) with similar activities conducted by other national research institutes and agencies of the National Institutes of Health to the extent that such Institutes ^[1] and agencies have responsibilities that are related to breast cancer and other cancers of the reproductive system of women.
