## Prospective longitudinal study on adolescent health

---

### **(a) In general**

Not later than October 1, 1993, the Director of the Institute shall commence a study for the purpose of providing information on the general health and well-being of adolescents in the United States, including, with respect to such adolescents, information on—

- (1) the behaviors that promote health and the behaviors that are detrimental to health; and
- (2) the influence on health of factors particular to the communities in which the adolescents reside.
