
42 U.S. Code § 287

National Center for Advancing Translational Sciences

(a) Purpose

The purpose of the National Center for Advancing Translational Sciences (in this subpart referred to as the “Center”) is to advance translational sciences, including by—

- (1) coordinating and developing resources that leverage basic research in support of translational science; and
- (2) developing partnerships and working cooperatively to foster synergy in ways that do not create duplication, redundancy, and competition with industry activities.
