

42 U.S. Code § 287c-11

Dietary supplements

(a) Establishment

The Secretary shall establish an Office of Dietary Supplements within the National Institutes of Health.

(b) Purpose

The purposes of the Office are—

- (1) to explore more fully the potential role of dietary supplements as a significant part of the efforts of the United States to improve health care; and
- (2) to promote scientific study of the benefits of dietary supplements in maintaining health and preventing chronic disease and other health-related conditions.
