
42 U.S. Code § 290aa-5

Grants for the benefit of homeless individuals

(a) In general

The Secretary shall award grants, contracts and cooperative agreements to community-based public and private nonprofit entities for the purposes of providing mental health and substance use disorder services for homeless individuals. In carrying out this section, the Secretary shall consult with the Interagency Council on the Homeless ^[1], established under section 11311 of this title.
