### Action by Center for Substance Abuse Treatment and States concerning military facilities

---

#### **(a) Center for Substance Abuse Treatment**

The Director of the Center for Substance Abuse Treatment shall—

- (1) coordinate with the agencies represented on the Commission on Alternative Utilization of Military Facilities the utilization of military facilities or parts thereof, as identified by such Commission, established under the National Defense Authorization Act of 1989, that could be utilized or renovated to house nonviolent persons for drug treatment purposes;
- (2) notify State agencies responsible for the oversight of drug abuse treatment entities and programs of the availability of space at the installations identified in paragraph (1); and
