

42 U.S. Code § 291c

General regulations

The Surgeon General, with the approval of the Federal Hospital Council and the Secretary of Health and Human Services shall by general regulations prescribe—

(a) Priority of projects; determination

the general manner in which the State agency shall determine the priority of projects based on the relative need of different areas lacking adequate facilities of various types for which assistance is available under this part, giving special consideration—

- (1) in the case of projects for the construction of hospitals, to facilities serving areas with relatively small financial resources and, at the option of the State, rural communities;
- (2) in the case of projects for the construction of rehabilitation facilities, to facilities operated in connection with a university teaching hospital which will provide an integrated program of medical, psychological, social, and vocational evaluation and services under competent supervision;
