

42 U.S. Code § 292h

Office for Health Education Assistance Loan Default Reduction

(a) Establishment

The Secretary shall establish, within the Division of Student Assistance of the Bureau of Health Professions, an office to be known as the Office for Health Education Assistance Loan Default Reduction (in this section referred to as the “Office”).

(b) Purpose and functions

It shall be the purpose of the Office to achieve a reduction in the number and amounts of defaults on loans guaranteed under this subpart. In carrying out such purpose the Office shall—
