

# 42 U.S. Code § 295a

---

## Public health training centers

---

### **(a) In general**

The Secretary may make grants or contracts for the operation of public health training centers.

### **(b) Eligible entities**

#### **(1) In general**

A public health training center shall be an accredited school of public health, or another public or nonprofit private institution accredited for the provision of graduate or specialized training in public health, that plans, develops, operates, and evaluates projects to improve preventive medicine, health promotion and disease prevention, or access to and quality of health care services in rural or medically underserved communities.
