

42 U.S. Code § 299c-2

Certain provisions with respect to development, collection, and dissemination of data

(a) Standards with respect to utility of data

(1) In general

To ensure the utility, accuracy, and sufficiency of data collected by or for the Agency for the purpose described in section 299(b) of this title, the Director shall establish standard methods for developing and collecting such data, taking into consideration—

(A) other Federal health data collection standards; and

(B) the differences between types of health care plans, delivery systems, health care providers, and provider arrangements.
