
42 U.S. Code § 300d-61

Establishment of Program

(a) In general

The Secretary, acting through the Director of the National Institutes of Health (in this section referred to as the “Director”), shall establish a comprehensive program of conducting basic and clinical research on trauma (in this section referred to as the “Program”). The Program shall include research regarding the diagnosis, treatment, rehabilitation, and general management of trauma.

(b) Plan for Program

(1) In general

The Director, in consultation with the Trauma Research Interagency Coordinating Committee established under subsection (g), shall establish and implement a plan for carrying out the activities of the Program, including the activities described in subsection (d). All such activities shall be carried out in accordance with the plan. The plan shall be periodically reviewed, and revised as appropriate.

(2) Submission to Congress

Not later than December 1, 1993, the Director shall submit the plan required in paragraph (1) to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Health, Education, Labor, and Pensions of the Senate, together with an estimate of the funds needed for each of the fiscal years 1994 through 1996 to implement the plan.
