

42 U.S. Code § 300d

Establishment

(a) In general

The Secretary shall, with respect to trauma care—

- (1) conduct and support research, training, evaluations, and demonstration projects;
- (2) foster the development of appropriate, modern systems of such care through the sharing of information among agencies and individuals involved in the study and provision of such care;
- (3) collect, compile, analyze, and disseminate information on the achievements of, and problems experienced by, State and local agencies and private entities in providing trauma care and emergency medical services and, in so doing, give special consideration to the unique needs of rural areas and medically underserved areas;
