

42 U.S. Code § 300ee-2

Information for health and public safety workers

(a) Development and dissemination of guidelines

Not later than 90 days after November 4, 1988, the Secretary of Health and Human Services (hereafter in this section referred to as the “Secretary”), acting through the Director of the Centers for Disease Control and Prevention, shall develop, issue, and disseminate emergency guidelines to all health workers and public safety workers (including emergency response employees) in the United States concerning—

- (1) methods to reduce the risk in the workplace of becoming infected with the etiologic agent for acquired immune deficiency syndrome; and
