
42 U.S. Code § 300ff-111

HIV/AIDS communities, schools, and centers

(a) Schools; centers

(1) In general

The Secretary may make grants and enter into contracts to assist public and nonprofit private entities and schools and academic health science centers in meeting the costs of projects—

(A) to train health personnel, including practitioners in programs under this subchapter and other community providers, in the diagnosis, treatment, and prevention of HIV/AIDS, including the prevention of the perinatal transmission of the disease, including measures for the prevention and treatment of opportunistic infections, and including (as applicable to the type of health professional involved), prenatal and other gynecological care for women with HIV/AIDS;

(B) to train the faculty of schools of, and graduate departments or programs of, medicine, nursing, osteopathic medicine, dentistry, public health, allied health, and mental health practice to teach health professions students to provide for the health care needs of individuals with HIV/AIDS;

(C) to develop and disseminate curricula and resource materials relating to the care and treatment of individuals with such disease and the prevention of the disease among individuals who are at risk of contracting the disease; and

(D) to develop protocols for the medical care of women with HIV/AIDS, including prenatal and other gynecological care for such women.
