# 42 U.S. Code § 300ff–134

---

## Procedures for notification of exposure

---

### **(a) Contents of notification to officer**

In making a notification required under section 300ff–132 of this title or section 300ff–133(d)(2) of this title, a medical facility shall provide—

- (1) the name of the infectious disease involved; and
