# 42 U.S. Code § 300ff-30

---

## Emerging communities

---

### **(a) In general**

The Secretary shall award supplemental grants to States determined to be eligible under subsection (b) to enable such States to provide comprehensive services of the type described in section 300ff-22(a) of this title to supplement the services otherwise provided by the State under a grant under this subpart in emerging communities within the State that are not eligible to receive grants under part A.

### **(b) Eligibility**

To be eligible to receive a supplemental grant under subsection (a), a State shall—
