
42 U.S. Code § 300gg-1

Guaranteed availability of coverage

(a) Guaranteed issuance of coverage in the individual and group market

Subject to subsections (b) through (e),^[1] each health insurance issuer that offers health insurance coverage in the individual or group market in a State must accept every employer and individual in the State that applies for such coverage.

(b) Enrollment

(1) Restriction

A health insurance issuer described in subsection (a) may restrict enrollment in coverage described in such subsection to open or special enrollment periods.
