

42 U.S. Code § 300hh-13

Evaluation of new and emerging technologies regarding bioterrorist attack and other public health emergencies

(a) In general

The Secretary of Health and Human Services (referred to in this section as the “Secretary”) shall promptly carry out a program to periodically evaluate new and emerging technologies that, in the determination of the Secretary, are designed to improve or enhance the ability of public health or safety officials to conduct public health surveillance activities relating to a bioterrorist attack or other public health emergency.
