
42 U.S. Code § 300j-11

Indian Tribes

(a) In general

Subject to the provisions of subsection (b), the Administrator—

- (1) is authorized to treat Indian Tribes as States under this subchapter,
- (2) may delegate to such Tribes primary enforcement responsibility for public water systems and for underground injection control, and
- (3) may provide such Tribes grant and contract assistance to carry out functions provided by this subchapter.
