
42 U.S. Code § 300mm-21

Identification of WTC responders and provision of WTC-related monitoring services

(a) WTC responder defined

(1) In general

For purposes of this subchapter, the term “WTC responder” means any of the following individuals, subject to paragraph (4):

(A) Currently identified responder

An individual who has been identified as eligible for monitoring under the arrangements as in effect on January 2, 2011, between the National Institute for Occupational Safety and Health and—

- (i) the consortium coordinated by Mt. Sinai Hospital in New York City that coordinates the monitoring and treatment for enrolled WTC responders other than with respect to those covered under the arrangement with the Fire Department of New York City; or
- (ii) the Fire Department of New York City.

(B) Responder who meets current eligibility criteria

An individual who meets the current eligibility criteria described in paragraph (2).

(C) Responder who meets modified eligibility criteria

An individual who—

- (i) performed rescue, recovery, demolition, debris cleanup, or other related services in the New York City disaster area in response to the September 11, 2001, terrorist attacks, regardless of whether such services were performed by a State or Federal employee or member of the National Guard or otherwise; and
- (ii) meets such eligibility criteria relating to exposure to airborne toxins, other hazards, or adverse conditions resulting from the September 11, 2001, terrorist attacks as the WTC Program Administrator, after consultation with the WTC Scientific/Technical Advisory Committee, determines appropriate.

The WTC Program Administrator shall not modify such eligibility criteria on or after the date that the number of enrollments of WTC responders has reached 80 percent of the limit described in paragraph (4) or on or after the date that the number of certifications for certified-eligible WTC survivors under section 300mm-31(a)(2)(B) of this title has reached 80 percent of the limit described in section 300mm-31(a)(3) of this title.

(2) Current eligibility criteria

The eligibility criteria described in this paragraph for an individual is that the individual is described in any of the following categories:

(A) Firefighters and related personnel

The individual—

- (i) was a member of the Fire Department of New York City (whether fire or emergency personnel, active
-

or retired) who participated at least one day in the rescue and recovery effort at any of the former World Trade Center sites (including Ground Zero, Staten Island Landfill, and the New York City Chief Medical Examiner's Office) for any time during the period beginning on September 11, 2001, and ending on July 31, 2002; or

(ii)

(I) is a surviving immediate family member of an individual who was a member of the Fire Department of New York City (whether fire or emergency personnel, active or retired) and was killed at the World Trade site on September 11, 2001; and

(II) received any treatment for a WTC-related health condition described in section 300mm-22(a)(1)(A)(ii) of this title (relating to mental health conditions) on or before September 1, 2008.

(B) Law enforcement officers and WTC rescue, recovery, and cleanup workers

The individual—

(i) worked or volunteered onsite in rescue, recovery, debris cleanup, or related support services in lower Manhattan (south of Canal St.), the Staten Island Landfill, or the barge loading piers, for at least 4 hours during the period beginning on September 11, 2001, and ending on September 14, 2001, for at least 24 hours during the period beginning on September 11, 2001, and ending on September 30, 2001, or for at least 80 hours during the period beginning on September 11, 2001, and ending on July 31, 2002;

(ii)

(I) was a member of the Police Department of New York City (whether active or retired) or a member of the Port Authority Police of the Port Authority of New York and New Jersey (whether active or retired) who participated onsite in rescue, recovery, debris cleanup, or related services in lower Manhattan (south of Canal St.), including Ground Zero, the Staten Island Landfill, or the barge loading piers, for at least 4 hours during the period beginning September 11, 2001, and ending on September 14, 2001;

(II) participated onsite in rescue, recovery, debris cleanup, or related services at Ground Zero, the Staten Island Landfill, or the barge loading piers, for at least one day during the period beginning on September 11, 2001, and ending on July 31, 2002;

(III) participated onsite in rescue, recovery, debris cleanup, or related services in lower Manhattan (south of Canal St.) for at least 24 hours during the period beginning on September 11, 2001, and ending on September 30, 2001; or

(IV) participated onsite in rescue, recovery, debris cleanup, or related services in lower Manhattan (south of Canal St.) for at least 80 hours during the period beginning on September 11, 2001, and ending on July 31, 2002;

(iii) was an employee of the Office of the Chief Medical Examiner of New York City involved in the examination and handling of human remains from the World Trade Center attacks, or other morgue worker who performed similar post-September 11 functions for such Office staff, during the period beginning on September 11, 2001, and ending on July 31, 2002;

(iv) was a worker in the Port Authority Trans-Hudson Corporation Tunnel for at least 24 hours during the period beginning on February 1, 2002, and ending on July 1, 2002; or

(v) was a vehicle-maintenance worker who was exposed to debris from the former World Trade Center while retrieving, driving, cleaning, repairing, and maintaining vehicles contaminated by airborne toxins from the September 11, 2001, terrorist attacks during a duration and period described in subparagraph (A).

(C) Responders to the September 11 attacks at the Pentagon and Shanksville, Pennsylvania

The individual—

(i)

(I) was a member of a fire or police department (whether fire or emergency personnel, active or retired), worked for a recovery or cleanup contractor, or was a volunteer; and performed rescue, recovery, demolition, debris cleanup, or other related services at the Pentagon site of the terrorist-related aircraft crash of September 11, 2001, during the period beginning on September 11, 2001, and ending on the date on which the cleanup of the site was concluded, as determined by the WTC Program Administrator; or

(II) was a member of a fire or police department (whether fire or emergency personnel, active or retired), worked for a recovery or cleanup contractor, or was a volunteer; and performed rescue, recovery, demolition, debris cleanup, or other related services at the Shanksville, Pennsylvania, site of the terrorist-related aircraft crash of September 11, 2001, during the period beginning on September 11, 2001, and ending on the date on which the cleanup of the site was concluded, as determined by the WTC Program Administrator; and

(ii) is determined by the WTC Program Administrator to be at an increased risk of developing a WTC-related health condition as a result of exposure to airborne toxins, other hazards, or adverse conditions resulting from the September 11, 2001, terrorist attacks, and meets such eligibility criteria related to such exposures, as the WTC Program Administrator determines are appropriate, after consultation with the WTC Scientific/Technical Advisory Committee.
