

42 U.S. Code § 300mm-3

Uniform data collection and analysis

(a) In general

The WTC Program Administrator shall provide for the uniform collection of data, including claims data (and analysis of data and regular reports to the Administrator) on the prevalence of WTC-related health conditions and the identification of new WTC-related health conditions. Such data shall be collected for all individuals provided monitoring or treatment benefits under part B and regardless of their place of residence or Clinical Center of Excellence through which the benefits are provided. The WTC Program Administrator shall provide, through the Data Centers or otherwise, for the integration of such data into the monitoring and treatment program activities under this subchapter.
