
42 U.S. Code § 300mm

Establishment of World Trade Center Health Program

(a) In general

There is hereby established within the Department of Health and Human Services a program to be known as the World Trade Center Health Program, which shall be administered by the WTC Program Administrator, to provide beginning on July 1, 2011—

- (1) medical monitoring and treatment benefits to eligible emergency responders and recovery and cleanup workers (including those who are Federal employees) who responded to the September 11, 2001, terrorist attacks; and
- (2) initial health evaluation, monitoring, and treatment benefits to residents and other building occupants and area workers in New York City who were directly impacted and adversely affected by such attacks.

(b) Components of program

The WTC Program includes the following components:

(1) Medical monitoring for responders

Medical monitoring under section 300mm–21 of this title, including clinical examinations and long-term health monitoring and analysis for enrolled WTC responders who were likely to have been exposed to airborne toxins that were released, or to other hazards, as a result of the September 11, 2001, terrorist attacks.

(2) Initial health evaluation for survivors

An initial health evaluation under section 300mm–31 of this title, including an evaluation to determine eligibility for followup monitoring and treatment.

(3) Followup monitoring and treatment for WTC-related health conditions for responders and survivors

Provision under sections 300mm–22, 300mm–32, and 300mm–33 of this title of followup monitoring and treatment and payment, subject to the provisions of subsection (d), for all medically necessary health and mental health care expenses of an individual with respect to a WTC-related health condition (including necessary prescription drugs).
