
42 U.S. Code § 300t-13

Grants to States for reduction of excess hospital capacity

(a) “Excess hospital capacity” defined; particular activities

For the purpose of demonstrating the effectiveness of various means for reducing excesses in resources and facilities of hospitals (referred to in this section as “excess hospital capacity”), the Secretary may make grants to State Agencies designated under section 300m(b)(3) ^[1] of this title to assist such Agencies in—
