
42 U.S. Code § 300x-26

Sale of tobacco products to individuals under age of 21

(a) In general

A funding agreement for a grant under section 300x-21 of this title is that the State involved will—

- (1) annually conduct random, unannounced inspections to ensure that retailers do not sell tobacco products to individuals under the age of 21; and
- (2) annually submit to the Secretary a report describing—
 - (A) the activities carried out by the State to ensure that retailers do not sell tobacco products to individuals under the age of 21;
 - (B) the extent of success the State has achieved in ensuring that retailers do not sell tobacco products to individuals under the age of 21; and
 - (C) the strategies to be utilized by the State to ensure that retailers do not sell tobacco products to individuals under the age of 21 during the fiscal year for which the grant is sought.
