
42 U.S. Code § 300z-5

Requirements for applications

(a) Form, content, and assurances

An application for a grant for a demonstration project for services under this subchapter shall be in such form and contain such information as the Secretary may require, and shall include—

- (1) an identification of the incidence of adolescent pregnancy and related problems;
- (2) a description of the economic conditions and income levels in the geographic area to be served;
- (3) a description of existing pregnancy prevention services and programs of care for pregnant adolescents and adolescent parents (including adoption services), and including where, how, by whom, and to which population groups such services are provided, and the extent to which they are coordinated in the geographic area to be served;
- (4) a description of the major unmet needs for services for adolescents at risk of initial or recurrent pregnancies and an estimate of the number of adolescents not being served in the area;
- (5)
 - (A) in the case of an applicant who will provide care services, a description of how all core services will be provided in the demonstration project using funds under this subchapter or will otherwise be provided by the grantee in the area to be served, the population to which such services will be provided, how such services will be coordinated, integrated, and linked with other related programs and services and the source or sources of funding of such core services in the public and private sectors; or
 - (B) in the case of an applicant who will provide prevention services, a description of the necessary services to be provided and how the applicant will provide such services;
- (6) a description of the manner in which adolescents needing services other than the services provided directly by the applicant will be identified and how access and appropriate referral to such other services (such as medicaid; licensed adoption agencies; maternity home services; public assistance; employment services; child care services for adolescent parents; and other city, county, and State programs related to adolescent pregnancy) will be provided, including a description of a plan to coordinate such other services with the services supported under this subchapter;
- (7) a description of the applicant's capacity to continue services as Federal funds decrease and in the absence of Federal assistance;
- (8) a description of the results expected from the provision of services, and the procedures to be used for evaluating those results;
- (9) a summary of the views of public agencies, providers of services, and the general public in the geographic area to be served, concerning the proposed use of funds provided for a demonstration project for services under this subchapter and a description of procedures used to obtain those views, and, in the case of applicants who propose to coordinate services administered by a State, the written comments of the appropriate State officials responsible for such services;
