
42 U.S. Code § 618

Funding for child care

(a) General child care entitlement

(1) General entitlement

Subject to the amount appropriated under paragraph (3), each State shall, for the purpose of providing child care assistance, be entitled to payments under a grant under this subsection for a fiscal year in an amount equal to the greater of—

(A) the total amount required to be paid to the State under section 603 of this title for fiscal year 1994 or 1995 (whichever is greater) with respect to expenditures for child care under subsections (g) and (i) of section 602 of this title (as in effect before October 1, 1995); or

(B) the average of the total amounts required to be paid to the State for fiscal years 1992 through 1994 under the subsections referred to in subparagraph (A).

(2) Remainder

(A) Grants

The Secretary shall use any amounts appropriated for a fiscal year under paragraph (3)(A), after grants are awarded under paragraph (1), to make grants to States under this paragraph.

(B) Allotments to States

The total amount available for payments to States under this paragraph, as determined under subparagraph (A), shall be allotted among the States based on the formula used for determining the amount of Federal payments to each State under section 603(n) of this title (as in effect before October 1, 1995).

(C) Federal matching of State expenditures exceeding historical expenditures

The Secretary shall pay to each eligible State for a fiscal year an amount equal to the lesser of the State's allotment under subparagraph (B) or the Federal medical assistance percentage for the State for the fiscal year (as defined in section 1396d(b) of this title, as such section was in effect on September 30, 1995) of so much of the State's expenditures for child care in that fiscal year as exceed the total amount of expenditures by the State (including expenditures from amounts made available from Federal funds) in fiscal year 1994 or 1995 (whichever is greater) for the programs described in paragraph (1)(A).

(D) Redistribution

(i) In general

With respect to any fiscal year, if the Secretary determines (in accordance with clause (ii)) that any amounts allotted to a State under this paragraph for such fiscal year will not be used by such State during such fiscal year for carrying out the purpose for which such amounts are allotted, the Secretary shall make such amounts available in the subsequent fiscal year for carrying out such purpose to one or more States which apply for such funds to the extent the Secretary determines that such States will be

able to use such additional amounts for carrying out such purpose. Such available amounts shall be redistributed to a State pursuant to section 603(n) of this title (as such section was in effect before October 1, 1995) by substituting “the number of children residing in all States applying for such funds” for “the number of children residing in the United States in the second preceding fiscal year”.

(ii) Time of determination and distribution

The determination of the Secretary under clause (i) for a fiscal year shall be made not later than the end of the first quarter of the subsequent fiscal year. The redistribution of amounts under clause (i) shall be made as close as practicable to the date on which such determination is made. Any amount made available to a State from an appropriation for a fiscal year in accordance with this subparagraph shall, for purposes of this part, be regarded as part of such State’s payment (as determined under this subsection) for the fiscal year in which the redistribution is made.
