- (5) provides that the State will, in the administration of its programs under this part, use such methods relating to the establishment and maintenance of personnel standards on a merit basis as are found by the Secretary to be necessary for the proper and efficient operation of the programs, except that the Secretary shall exercise no authority with respect to the selection, tenure of office, or compensation of any individual employed in accordance with such methods;
- (6) provides that the State agency referred to in paragraph (2) (hereinafter in this part referred to as the “State agency”) will make such reports, in such form and containing such information as the Secretary may from time to time require, and comply with such provisions as the Secretary may from time to time find necessary to assure the correctness and verification of such reports;

(9) provides that the State agency will—

(C) not later than—

(B) that the standards established pursuant to subparagraph (A) shall be applied by the State to any foster family home or child care institution receiving funds under this part or part B and shall require, as a condition of each contract entered into by a child care institution to provide foster care, the presence on-site of at least 1 official who, with respect to any child placed at the child care institution, is designated to be the caregiver who is authorized to apply the reasonable and prudent parent standard to decisions involving the participation of the child in age or developmentally-appropriate activities, and who is provided with training in how to use and apply the reasonable and prudent parent standard in the same

(D) reasonable efforts of the type described in subparagraph (B) shall not be required to be made with respect to a parent of a child if a court of competent jurisdiction has determined that—
