

42 U.S. Code § 709

Administration of Federal and State programs

(a) The Secretary shall designate an identifiable administrative unit with expertise in maternal and child health within the Department of Health and Human Services, which unit shall be responsible for—

- (1) the Federal program described in section 702(a) of this title;
- (2) promoting coordination at the Federal level of the activities authorized under this subchapter and under subchapter XIX of this chapter, especially early and periodic screening, diagnosis and treatment, related activities funded by the Departments of Agriculture and Education, and under health block grants and categorical health programs, such as immunizations, administered by the Secretary;
