
42 U.S. Code § 1862s-1

Transparency and accountability

(a) Findings

- (1) ^[1]building the understanding of and confidence in investments in basic research is essential to public support for sustained, predictable Federal funding;
- (2) the Foundation has improved transparency and accountability of the outcomes made through the merit review process, but additional transparency into individual grants is valuable in communicating and assuring the public value of federally funded research; and
