

# 42 U.S. Code § 2021g

---

## Responsibilities of Department of Energy

---

### **(a) Financial and technical assistance**

The Secretary shall, to the extent provided in appropriations Act, provide to those compact regions, host States, and nonmember States determined <sup>[1]</sup> by the Secretary to require assistance for purposes of carrying out sections 2021b to 2021j of this title—
