

# 42 U.S. Code § 2301

---

## Congressional declaration of policy

---

It is declared to be the policy of the United States of America that Government ownership and management of the communities owned by the Atomic Energy Commission shall be terminated in an expeditious manner which is consistent with and will not impede the accomplishment of the purposes and programs established by the Atomic Energy Act of 1954 [42 U.S.C. 2011 et seq.]. To that end, it is desired at each community to—
