

42 U.S. Code § 2643

Increase of State or local expenditures

(a) No part of any allocation made by the President under this chapter shall be made available during any fiscal year to any State or local government for any public works project, unless the proposed or planned total expenditure (exclusive of Federal funds) of such State or local government during such fiscal year for all its capital improvement projects is increased by an amount approximately equal to the non-Federal funds required to be made available for such public works project.
