
7 U.S. Code § 1445-3

Purchase of inventory stock

Notwithstanding any other provision of law, in order to reduce or eliminate the excessive inventories of Flue-cured and Burley tobacco held by associations from the 1976 through 1984 crops, and in order to provide for the orderly disposition of such excessive inventories of tobacco in a manner that will not disrupt the orderly marketing of new tobacco crops and will minimize any losses to the Federal Government:

(a) Sale of inventory stock

(1) The producer-owned cooperative marketing association that has entered into a loan agreement with the Commodity Credit Corporation to make price support available to producers of Flue-cured tobacco shall offer to sell the stocks of Flue-cured tobacco of the association from the 1976 through 1984 crops as provided in this section.

(2) Each producer-owned cooperative marketing association that has entered into a loan agreement with the Commodity Credit Corporation to make price support available to producers of Burley tobacco shall offer to sell its stocks of Burley tobacco from the 1982 and 1984 crops as provided in this section.

(3)

(A)

(i) Not later than 30 days after April 7, 1986, the Commodity Credit Corporation shall acquire title to the Burley tobacco from the 1983 crop that is pledged as security for loans on such tobacco by calling the loans on such tobacco.

(ii) The Corporation shall, then, offer such tobacco for sale at such times, in such quantities, and subject to such conditions as the Corporation considers appropriate.

(B) If the Commodity Credit Corporation has not sold all of the stocks of the 1983 crop of Burley tobacco within 2 years from the date the Corporation calls the loans on such tobacco, the Corporation may offer to sell to domestic manufacturers of cigarettes the remaining stocks of such tobacco as provided in this section.
