

7 U.S. Code § 1508a

Double insurance and prevented planting

(a) Definitions

In this section:

(1) First crop

The term “first crop” means the first crop of the first agricultural commodity planted for harvest, or prevented from being planted, on specific acreage during a crop year and insured under this subchapter.

(2) Second crop

The term “second crop” means a second crop of the same agricultural commodity as the first crop, or a crop of a different agricultural commodity following the first crop, planted on the same acreage as the first crop for harvest in the same crop year, except the term does not include a replanted crop.

(3) Replanted crop

The term “replanted crop” means any agricultural commodity replanted on the same acreage as the first crop for harvest in the same crop year if the replanting is required by the terms of the policy of insurance covering the first crop.
