

7 U.S. Code § 1738k

Eligible activities and grantees

(a) Eligible entities

Activities eligible to receive assistance through the framework agreements entered into under section 1738f of this title, shall include—

- (1) activities of the type described in the Global Environmental Protection Assistance Act of 1989 (22 U.S.C. 2281 et seq.);
- (2) agriculture-related activities, including those that provide for the biological prevention and control of animal and plant pests and diseases, to benefit the environment; and
