

7 U.S. Code § 1907

Practices involving nonambulatory livestock

(a) Report

The Secretary of Agriculture shall investigate and submit to Congress a report on—

- (1) the scope of nonambulatory livestock;
- (2) the causes that render livestock nonambulatory;
- (3) the humane treatment of nonambulatory livestock; and
- (4) the extent to which nonambulatory livestock may present handling and disposition problems for stockyards, market agencies, and dealers.
