
7 U.S. Code § 608

Powers of Secretary

(1) Investigations; proclamation of findings

Whenever the Secretary of Agriculture has reason to believe that:

(a) The current average farm price for any basic agricultural commodity is less than the fair exchange value thereof, or the average farm price of such commodity is likely to be less than the fair exchange value thereof for the period in which the production of such commodity during the current or next succeeding marketing year is normally marketed, and

(b) The conditions of and factors relating to the production, marketing, and consumption of such commodity are such that the exercise of any one or more of the powers conferred upon the Secretary under subsections (2) and (3) of this section would tend to effectuate the declared policy of this chapter,

he shall cause an immediate investigation to be made to determine such facts. If, upon the basis of such investigation, the Secretary finds the existence of such facts, he shall proclaim such determination and shall exercise such one or more of the powers conferred upon him under subsections (2) and (3) of this section as he finds, upon the basis of an investigation, administratively practicable and best calculated to effectuate the declared policy of this chapter.

(2) Agreements for adjustment of acreage or production and for rental or benefit payments

Subject to the provisions of subsection (1) of this section, the Secretary of Agriculture shall provide, through agreements with producers or by other voluntary methods,

(a) For such adjustment in the acreage or in the production for market, or both, of any basic agricultural commodity, as he finds, upon the basis of the investigation made pursuant to subsection (1) of this section, will tend to effectuate the declared policy of this chapter, and to make such adjustment program practicable to operate and administer, and

(b) For rental or benefit payments in connection with such agreements or methods in such amounts as he finds, upon the basis of such investigation, to be fair and reasonable and best calculated to effectuate the declared policy of this chapter, and to make such program practicable to operate and administer, to be paid out of any moneys available for such payments or, subject to the consent of the producer, to be made in quantities of one or more basic agricultural commodities acquired by the Secretary pursuant to this chapter.
