

7 U.S. Code § 626

Import inventory

(a) Compilation and report on imports

The Secretary of Agriculture, in consultation with the Secretary of Commerce, the International Trade Commission, the United States Trade Representative, and the heads of all other appropriate Federal agencies, shall compile and report to the public statistics on the total value and quantity of imported raw and processed agricultural products. The report shall be limited to those statistics that such agencies already obtain for other purposes.
