Administrative prohibitions applicable to certain electric borrowers

(a) In general

For the purpose of relieving borrowers of unnecessary and burdensome requirements, the Secretary, guided by the practices of private lenders with respect to similar credit risks, shall issue regulations, applicable to any electric borrower under this chapter whose net worth exceeds 110 percent of the outstanding principal balance on all loans made or guaranteed to the borrower by the Secretary, to minimize those approval rights, requirements, restrictions, and prohibitions that the Secretary otherwise may establish with respect to the operations of such a borrower.
