

7 U.S. Code § 2009aa-7

Program development criteria

(a) In general

In considering programs and projects to be provided assistance under this subchapter, and in establishing a priority ranking of the requests for assistance provided by the Authority, the Authority shall follow procedures that ensure, to the maximum extent practicable, consideration of—

- (1) the relationship of the project or class of projects to overall regional development;
- (2) the per capita income and poverty and unemployment rates in an area;
