## Report of civil rights complaints, resolutions, and actions

---

Each year, the Secretary shall—

- (1) prepare a report that describes, for each agency of the Department of Agriculture—
  - (A) the number of civil rights complaints filed that relate to the agency, including whether a complaint is a program complaint or an employment complaint;
  - (B) the length of time the agency took to process each civil rights complaint;
  - (C) the number of proceedings brought against the agency, including the number of complaints described in paragraph (1) that were resolved with a finding of discrimination; and
  - (D) the number and type of personnel actions taken by the agency following resolution of civil rights complaints;
