
7 U.S. Code § 2279a

Fair and equitable treatment of socially disadvantaged producers

(a) Fair crop acreage bases and farm program payment yields

If the Secretary of Agriculture determines that crop acreage bases or farm program payment yields established for farms owned or operated by socially disadvantaged producers are not established in accordance with title V of the Agricultural Act of 1949 (7 U.S.C. 1461 et seq.), the Secretary shall adjust the bases and yields to conform to the requirements of such title and make available any appropriate commodity program benefits.
