
7 U.S. Code § 2903

Issuance of orders

(a) During the period beginning on January 1, 1986, and ending thirty days after receipt of a proposal for a beef promotion and research order, the Secretary shall publish such proposed order and give due notice and opportunity for public comment on such proposed order. Such proposal may be submitted by any organization meeting the requirements for certification under section 2905 of this title or any interested person, including the Secretary.
